

How to get there ?

Canal du Midi

On the D51E5 between Marseillan Plage and Marseillan Ville, the walk starts on the left bank of the Canal du Midi. This path is accessible beside the bridge.

Mont Saint Loup

On the D612, take direction Cap d'Agde, then D32E10 (Agde Centre) and at the roundabout, first road on the right. Parking is available in « Luxembourg street ».

Observation area

On the D51E5 between Marseillan Plage and Marseillan Ville, after crossing the Canal du Midi, stay on the main road. The Observation Area is indicated on your left side. Pay attention, access is one-way. Turn back in the next roundabout.

Onglous Lighthouse

On the D51E5 between Marseillan Plage and Marseillan Ville, go over the bridge, pick up the cycle track and take the right path along the D51E6. Parking available near the bus stop.

Domaine of Maraval

This is accessible by bicycle from the Maison de la Réserve, following the cycle track. Also, parking is available before the entrance to the naturist village at Cap d'Agde.

Maison de la Réserve naturelle du Bagnas

Domaine du Grand Clavelet
Route de Sète - 34300 AGDE
04 67 01 60 23

Opening hours :

Financial support

Access to the Bagnas National Nature Reserve is restricted to protect its environment and abundant wildlife. ADENA (Association de Défense de l'Environnement et de la Nature des pays d'Agde) offers trails in and around the Reserve, accessible both on foot or by bicycle and scheduled guided visits. Contact us for more details.

Canal du Midi

The Canal du Midi is a **UNESCO World Heritage Site**. A narrow trail surrounded by Mediterranean vegetation.

Moderate

Mont Saint Loup

From the top of the **volcano of Agde**, enjoy the panorama of the Reserve, Thau lagoon, the coastline and Cap d'Agde.

Moderate

Observation Area

From this point, you can enjoy the **open view of the Bagnas lagoon** and observe the birds. Binoculars are recommended.

Point of view

Onglous Lighthouse

At the head of the Onglous, fresh water from the **Canal du Midi** and salt water from the **Thau lagoon** meet.

Easy

Domaine of Maraval

This ancient traffic road is now a gentle track connecting the Reserve with Cap d'Agde wandering through **vineyard, meadows and marshland**.

Easy

0 500 1000
